

DeltaPSU Product Notice

Product Upgrade Notice: PMR-12V320W1AT and PMR-24V320W1AT Product Optimization

Delta has optimized the PMR-12V320W1AT and PMR-24V320W1AT by adjusting the Y capacitor to reduce leakage current, in response to market demand. For more details, please refer to the latest specifications on the [DeltaPSU](#) website.

Implementation Date: Oct-2024

Change Details:

Model	Label Revision	
	Old	New
PMR-12V320W1AT	01	02
PMR-24V320W1AT	01	02
