

Product Upgrade Notice: PMR Series and Force-GT Series 24V 480W 3-Phase Product Optimization

To better meet market demands, Delta has updated the PMR Series and Force-GT Series 24V 480W 3-Phase models. Please refer to the table below for further details.

Implementation Date: Mar-2025

Change Details:

Model	Description	Label Revision		
		Old	New	
PMR-12V150W1AT	<p>Add terminal block connector cover and conformal coating</p> 	00.1	01	
PMR-12V240W1AT		00.1	01	
PMR-12V320W1AT		02.1	03	
PMR-12V600W1BT		00.1	01	
PMR-24V150W1AT		00.1	01	
PMR-24V240W1AT		00.1	01	
PMR-24V320W1AT		02.1	03	
PMR-24V600W1BT		00.1	01	
PMR-36V150W1AT		00.1	01	
PMR-36V240W1AT		00.1	01	
PMR-36V320W1AT		01.1	02	
PMR-36V600W1BT		00.1	01	
PMR-48V150W1AT		00.1	01	
PMR-48V240W1AT		00.1	01	
PMR-48V320W1AT		01.1	02	
PMR-48V600W1BT		00.1	01	
DRF-24V480W3GBA		<p>Update to comply with the voltage swell test requirements for electric vehicle charging stations (EVCS) in the US market</p>	01	01.1
DRF-24V480W3GTA			01	01.1
