Delta Electronics is extending the highly affordable and reliable PMT panel mount power supply series with the addition of three new models. The new products are two 5V models with power ratings of 35W and 50W and a 15V model with power rating of 50W. The [PMT-5V35W1AA](#), [PMT-5V50W1AA](#) and [PMT-15V50W1AA](#) feature Universal AC input and international safety approval according to IEC/EN/UL 60950-1 and EMI standards according to EN 55022, Class B. All Delta power supplies comply fully with RoHS Directive 2011/65/EU for environmental protection.

Like the rest of the models in the PMT family, the product also come with versatile connector options (Terminal Block, Front Face, and Harness Type*) and two different configuration options (enclosed and L frame) to satisfy different application needs.

Highlights & Features
